GREEN BUILDING
NETWORK

PARTNERSHIP PROGRAM

Founded in 2002, the non-profit Vermont Green Building Network works to advance the environmental, economic, community, and health benefits of green design, construction, and building operation practices. Our vision is to work towards ensuring all Vermonters have green healthy spaces to live, work and play.

Your support of the Vermont Green Building Network demonstrates your organization's dedication to the VGBN mission and directly supports VGBN events, programming, and more.
